AlSCO Sidewalk Drain Line Restoration

Honolulu, Hawaii

Image credit: Google Earth

AlSCO is a laundry facility located near Honolulu International Airport. Pragmatic Professional Engineers acted as the prime consultant, providing plumbing and civil engineering, as well as permit routing, bidding assistance, and construction administration services.

Work included repair to sidewalk drain piping connected to the building's storm drain system. During construction, the civil engineer provided an erosion and sediment control plan to comply with the City and County of Honolulu's regarding project's that have the risk on impacting the stormwater system's cleanliness.
